TO MR A BUNKER, REF FLASH ID

DEAR SIR,

WE HAD JUST ARRIVED IN WAGGA WAGGA FOR A STAY WITH OUR SON'S FAMILY. ON THE 8TH SEPT 08 MY WIFE BETTY WAS NOT FEELING WELL & WE HAD TO CALL AN AMBULANCE. BETTY WAS TAKEN TO THE EMERGENCY AT THE WAGGA BASE HOSPITAL. BETTY WAS CHECKED OVER AND WAS ASKED ABOUT HER MEDICAL HISTORY.

AT THAT TIME WE OFFERED THE NURSE BETTY'S FLASH ID. I TOLD THE NURSE JUST TO PUT IT INTO THE COMPUTER AND WHAT SHE NEEDS IS ON THERE. THE NURSE WENT OFF AND WAS GONE FOR A VERY LONG TIME. WHEN THE NURSE RETURNED SHE APOLOGIZED FOR BEING SO LONG. THE NURSE SAID SHE HAD BEEN SHOWING OFF THE PRINTOUT AROUND THE HOSPITAL.

THE COMMENT THE NURSE MADE WAS THAT IF EVERYBODY HAD A FLASH ID THEIR WORK WOULD

BE MUCH EASIER AND THEY COULD GET ON AND TREAT THE PATIENT MUCH QUICKER.

QUITE A FEW OTHER NURSES ETC CAME AND ASKED ABOUT THE FLASH ID.

FOR OUR FIRST EXPERIENCE WITH THE FLASH ID WAS EXCEPTIONAL.

YOU MAY USE THIS LETTER IN ANYWAY YOU WISH.

Yours FAITHFULLY

John,

17TH NOV 08.
